

SELG & Associates, Inc.

Water and Wastewater Treatment Equipment

Alfa Laval

Decanter Centrifuges
Drum Thickeners
Spiral Heat Exchangers

BioSec Enviro, Inc.

Biosolids Storage / Unloading Systems
Horizontal/Inclined/Vertical Shafted and Shaftless Screw
Belt Conveyors
Live Bottoms Screw Conveyors

Phoenix Process Equipment

Belt Filter Presses
Gravity Belt Thickeners

Tank Connection

Bolted, Welded, and Hybrid Steel Tanks
Potable Water Storage Tanks—NSF
Wastewater Storage and Digester Tanks
Fire Protection Storage Tanks—FM and NFPA 22
Dry Bulk Storage Tanks
Lime Feed Silo / Systems

Environmental Fabrics, Inc.

Lagoon Liners and Covers—Permeable and Impermeable
Biogas Collection Systems for Digester Basins or Lagoons
Covers for Odor Control—Landfill Liners / Caps

P-Tec, Inc.

Dissolved Air Flotation for Algae Removal
and for Sludge Thickening

PRD Technologies

Biological Odor Control Systems
